Power Chord Shapes

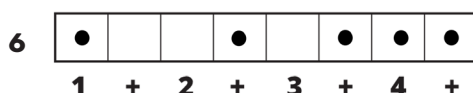

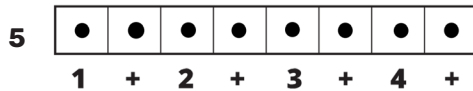

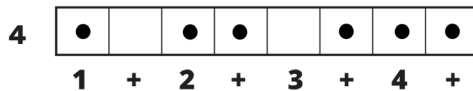

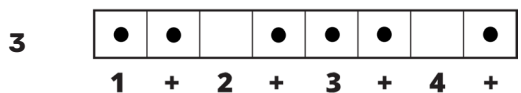

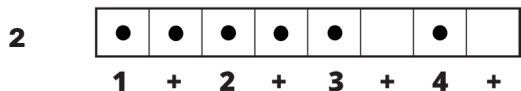

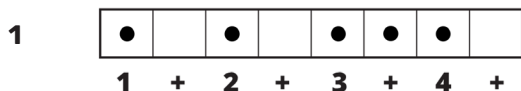

Activity

Dice: Need some dice? You can do a Google search for “roll dice” and choose from several options!

Step 1: Roll the dice 4 times, then write down the numbers you get. _____

Step 2: Play your chord progression. Start with four quarter notes on each number.

Step 3: Roll for a strum pattern.

Expansion

1. Record 3-5 of these ideas on a computer or phone. Listen back to pick your favorites

2. Write your own strum pattern
